Dear Counselor,

Because of budget limitations, we are unable to have the annual arbitrators' award ceremony this year.

However, I do want to take this opportunity to thank you for services you have performed as an arbitrator for the District Court. As a result of your time and effort, many thousand cases have been resolved.

Thank you very much for your much appreciated participation in our Small Claims' Pro Bono Arbitrator's program.

Sincerely yours,

PETER G. DOUNIAS
Supervising Judge
